

Always thinking of those less fortunate, Saint Alexander Student Council collected new unwrapped toys to benefit Catholic Charities Celebration of Giving “Unwrap the Spirit.” The drive ran from November 27th through December 1st. Shown in the picture (l to r) are Aubrey Klimala, Michael Byrd, Quintin Coyle and Katherine O’Brien, surrounded by the bags and boxes that were filled and given to Catholic Charities. Once again, St. Alexander knows it can count on the generosity of its families to come through in times of need and thanks them for their continued support.
